

**Yellow warning
Rain**

Between
06:00 Wed 23 Dec 2020 and
02:00 Thu 24 Dec 2020

**Heavy rainfall may lead to flooding in places and disruption to travel.****What to expect**

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing hazardous conditions
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads

Further details

Spells of heavy rain are expected during Wednesday, with the heaviest rain likely to develop during Wednesday afternoon and continue well into the evening, before clearing away southeastwards during the early hours of Thursday.

The highest rainfall totals look likely to be over parts of East Anglia, the Midlands, southeastern Wales and, perhaps, parts of the West Country. Here 20-40 mm rain is likely for many with some places seeing as much as 50-60 mm of rain.

✓ Very low likelihood of medium impacts
